## PRESENTATIONS IN SCIENTIFIC CONFERENCES

- Reflectance Confocal Microscopy in the Diagnosis of Non-Melanoma Skin Cancer and Benign Lesions Versus Normal Skin: A Blinded Prospective Trial, *Plastics and Reconstructive Surgery Congress*, Gold Coast, Australia, 10 July 2011
- Likelihood of Hypertrophic Scar Development based on the site of injury in Paediatric Population, *Australia and New Zealand Burns Association (ANZBA) Conference*, Darwin, Australia, 4 October 2010,

- Self-harm Injury in Burns Patients, Royal Australasian College of Surgeons (RACS) Annual Scientific Conference (ASC) Perth, Australia, 7 May 2010
- Effects of Sub-dermal Injection of Adrenaline-containing Solution on Need for Transfusion in Burns Patients, Royal Australasian College of Surgeons (RACS) Annual Scientific Conference (ASC), Perth, Australia, 7 May 2010
- Use of Confocal Laser Microscopy in *in vivo* Management of Skin Lesions, Royal Australasian College of Surgeons (RACS) Annual Scientific Conference (ASC), Perth, Australia, 6 May 2010
- Real-Time Demonstration of Split Skin Graft Inosculation and Integra Dermal Matrix Neovascularization Using Confocal Laser Scanning Microscopy, Australia and New Zealand Burns Association (ANZBA) Conference, Wellington, New Zealand, 24 September 2009
- Reflectance Confocal Microscopy in Non-pigmented Skin Lesions, Royal Australasian College of Surgeons (RACS) Annual Scientific Meeting, Adelaide, Australia, 29 August 2009
- Treatment of Fractures of Mandibular Condyle, Royal Australasian College of Surgeons (RACS) Annual Scientific Meeting, Adelaide, Australia, 16 August 2008
- Transition to Internship, Australia and New Zealand Medical Education and Training (ANZMET) Conference, Sydney, Australia, 29 October 2007
- Radiographic Presentation of Orbital Trauma, Radiology Training Centre, Columbia University, New York, USA, 30 October 2006
- Working in Collaboration with Regard to the Recruitment of Indigenous Students to the Graduate Entry Medical Program, Pacific Region International Indigenous Doctors' Conference, Cairns, Australia, 2 June 2004

#### SCIENTIFIC POSTERS

- Success Rates of Arterial Repair at Forearm with and without Post-operative Antithrombotic Therapy, Royal Australasian College of Surgeons (RACS) Combined Annual Scientific Conference (ASC), Singapore, 5 – 9 May 2014
- Effects of Legislation on Tap Water Scald Injuries in New South Wales: A 32 Year Review, Royal Australasian College of Surgeons (RACS) Combined Annual Scientific Conference (ASC), Singapore, 5 – 9 May 2014

- Use of Polyurethane coated implants in breast reconstruction: report of 111 consecutive cases, Royal Australasian College of Surgeons (RACS) Combined Annual Scientific Conference (ASC), Singapore, 5 – 9 May 2014
- Use of double layered mesh for orbital floor reconstruction: a case report, Royal Australasian College of Surgeons (RACS) Combined Annual Scientific Conference (ASC), Singapore, 5 – 9 May 2014
- Effects of Significant Burn Injury in Paediatric Burn Victims on Family Integrity, Australia and New Zealand Burns Association (ANZBA) Conference, Darwin, Australia, 4 October 2010
- Public Education Campaign Regarding Feet Burn in Diabetic Patients, Australia and New Zealand Burns Association (ANZBA) Conference, Darwin, Australia, 4 October 2010
- Effects of Sub-dermal Application of Adrenaline Containing Solutions on Need for Transfusion in Burns Patients, Australia and New Zealand Burns Association (ANZBA) Conference, Wellington, New Zealand, 22-25 September 2009
- Hand Injuries: A 5 Year Experience, Australian Society of Plastic Surgeons (ASPS) Congress, Gold Coast, Australia, 2-5 October 2008
- Severe Odontogenic Infections, Australia and New Zealand Oral and Maxillofacial Surgery (ANZOMS) Conference, Christchurch, New Zealand, 28-31 October 2008
- Two Year Post-graduate Medical Curriculum, Australia and New Zealand Medical Education and Training (ANZMET) Conference, Hobart, Australia, 9-12 November 2008
- Neurofibromatosis and Connective Tissue Nevi, The Australasian College of Dermatologists & New Zealand Dermatological Society Biennial Surgical Meeting, Queenstown, New Zealand, 12- 17 August 2008
- Clinical Dilemmas in Management of Mandibular Fractures, Royal Australasian College of Surgeons (RACS) Combined Annual Scientific Conference (ASC), Hong Kong, 12-16 May 2008
- Post-operative Management of Thumb Replantation, Queensland Hand Surgery Society Conference, , Brisbane, Australia, 9-11 November 2007
- Medical Association for Prevention of War, International Physicians for Prevention of Nuclear War (IPPNW) 17th World Congress, Helsinki, Finland, 28-30 September 2006
